**ELWOOD STAFFING NAMED FASTEST-GROWING COMPANY
BY STAFFING INDUSTRY ANALYSTS**

(Columbus, Ind.) September 22, 2015—Elwood Staffing, a leading provider of talent-based solutions and actionable workforce intelligence, has been named to the Staffing Industry Analysts *Fastest-growing U.S. Staffing and Talent Engagement Firms* list. Elwood's impressive 23.6% compound growth between 2010 and 2014 put the firm at number 54 out of 102 on the list. The median compound annual growth rate for the top ten firms on the list was 61.0% and for the full list was 24.2%.

"It is an honor to be named one of the fastest-growing staffing firms in the U.S.," says Elwood Staffing CEO Mark S. Elwood. "Without the hard work and dedication of our staff, we would not be on this list, so this is an achievement for all of us to celebrate."

The Staffing Industry Analysts list of fastest-growing U.S. staffing firms has been issued annually since 2005 and is based on staffing revenue, which includes temporary staffing revenue, direct hire, retained search, and temp-to-perm conversion fees. To qualify for the list, staffing firms had to post at least \$1 million in revenue in 2010 and have compound annual growth of at least 15% between 2010 and 2014. A story will appear in the October 2015 issue of *Staffing Industry Review* magazine. The full list of the 102 fastest-growing firms can be found on the web at <http://fastestgrowing.staffingindustry.com>.
